JESONS INDUSTRIES LIMITED

Quality Environment Health and Safety Policy

Jesons Industries Limited (JIL) is involved in the manufacturer of Specialty Coating Emulsions & Pressure Sensitive Adhesives.

Quality, Environment, Health and Safety factors together represent our core values, impacting all facets of business operations.

We take responsibility of maintaining a robust Q, E, H and S environment to safeguard ourselves and our interested parties.

We comply with all legal & statutory regulations through continuous monitoring of Q, E, H and S standards.

We stress on the importance of this Policy as a continuous improvement process to enhance customer satisfaction.

By communication, consultation and participation, JIL promotes a high level of awareness of the QEHS Policy for long-term, sustainable development of the Organisation.
